

POLES OF ATTRACTIVENESS

CONCEPT

All EAP meetings are international and offer the same quality standard.

Our **CIRCLES** show their **POLE OF ATTRACTIVENESS**.

In other words :
where MOST athletes are coming from.

Attractiveness shows the meeting's key role in the development and promotion in a defined area.

-  <400km
(local-regional area)
-  400 to 900 km
(national area)
-  900 to 1500 km and more
(international area)
